

Name the Boat Contest

Ocean Mariners, Seafarers, and Lagoon Waders all know that it is bad luck to operate a boat without a name. The luck is just as bad to rename a boat. In the interest of community involvement, and doing it right the first time, BMK CSD residents are invited to participate in our Name the Boat Contest.

The nameless boat is the CSD's work boat, rectangle shaped barge, flat deck, center cabin, radio, generator and winch. It is used to clean buoys, disperse algae tablets, provide electricity to locks (when the power goes out), and perform basic and routine tasks around the ~~Seven Seas~~ and Four Lagoons of BMK Paradise. The BMK CSD Management Team will decide the winner prior to the end of 2023. The Winner shall receive a beautifully designed sweatshirt and position of honor during the Christening ceremony which will occur in January 2023.

Qualifying Rules, Terms and Conditions

BMK CSD resident agrees that if their submission is accepted as the winner of the contest, ownership of the name, and all accompanying rights and privileges shall be and permanently donated to the Bel Marin Keys Community Services District. The name will be displayed on both sides of the boat's center cabin. **Send questions to: michael.gadoua@bmkcsd.us**

Submissions must be received by District Manager on or before 1500 Hours (3pm), December 27, 2022.

The name shall be no more than 33 characters.

The name may not be identical, actually or phonetically, to any word(s) used to solicit assistance at sea.

The name may not contain, or be phonetically identical, to obscene, indecent, or profane language, or to a racial or ethnic epithet.

The name may not be derogatory as boats have feelings, too.

Application and Submission

Vessel Name

Reason/explanation: _____

Name: _____

Address: _____
Bel Marin Keys, Novato, CA 94949
